

Lord above all Lords

Love above all Lords  
King above ev'ry king  
You are my Master  
And it's to You I sing  
Rock of all ages  
You are my refuge  
A hiding place  
Where I am safe

Hallelujah, Hallelujah,  
Hallelujah, Hallelujah.

Praise to the Father  
Who has created me  
Praise to the Son  
Who paid the price for me  
Praise to the Spirit  
You bring us unity  
You alone are my delight

Hallelujah...
