

My love and my light

You are my love and my light,  
You are my purpose for living.  
You are my Hope in the night,  
My reason for singing.  
You bring joy to my life  
And You're making it better and better.  
And I will give thanks  
For ever and ever.

You are my love and my light...

Will we ever know what we have been given?  
For He has chosen us and called us His own.  
Flowing from His throne there is a river,  
Bringing life and health where ever it goes.

You are my love and my light...

We will bless Your name for always and ever.  
And offer up the sacrifices of praise.  
Teach us, Lord, we pray to live in Your presence.  
Make us more and more like You ev'ry day.

You are my love and my light...

Oh, what a joy to know!  
Oh, our Father loves us so!

You are my love and my light...
