

Pour out Your Spirit

Pour out Your Spirit
On us, o Lord
Come with your presence
And come with your power
Our hearts are longing for
More of you now

Pour out Your Spirit
Pour out Your Spirit
Pour out Your Spirit
We call on Your name
And give You all praise
Mighty God

Breathe with your Spirit
On weary souls
Touch us with mercy
and let your grace flow
All of our hopes, Lord, are founded on you.

Mighty God
Mighty God
Mighty God
Mighty God

Send out your Spirit
Over the earth
Let all creation
Proclaim your great worth
Lord as we're waiting
We call on you now
