

We lift You up

We lift You up and worship You Lord  
You are the One that we adore  
For You're holy and You're worthy  
Full of glory God Almighty  
We lift You up and worship You Lord

We stand in awe of all that You are  
Creator of man the sun moon and stars  
You are our Healer Provider  
Our Creator our precious Savior  
And we lift You up and worship You Lord

Words can't explain how great that You are  
Your vast domain crosses ev'ry heart  
You are our Joy our Peace  
You're our Hope Lord You're ev'rything  
And we lift You up and worship You Lord

Hallelujah hallelujah

For You're holy and You're worthy  
Full of glory God Almighty  
We lift You up we lift You up  
We lift You up we lift You up  
We lift You up we lift You up  
We lift You up we lift You up

Lord You're worthy full of glory  
Lord You're worthy full of glory  
God Almighty God Almighty  
God Almighty our God Almighty  
We lift You up higher and higher  
We lift You higher

Higher and higher we lift You higher  
Higher and higher we lift You up  
We lift You up and worship You Lord
