

Bless me, Lord where You lead me

Bless me, Lord where You lead me by Your hand
Bless me, Lord in the place where I must stand
Bless me, Lord in all that You desire of me
O God, lay Your hand of blessing upon me
Father, let me be a blessing
Do not pass me by
Pour out the rain of Your Spirit
Jesus come, abide
As the living water welling up within me
Send Your streams of blessing
Revealing Your pure radiance to me

Bless us, Lord in assurance of salvation
Bless us, Lord when we offer consolation
Bless us so that we can give blessings to all
O God, lay Your hand of blessing upon us
Father let us be a blessing
In the desert place
Waiting for showers from heaven
To show the world Your grace
Fill our hearts with glory to reflect Your blessings, Lord
As we share Your mercy
We bless Your name, Lord, for eternity

Father, let me be a blessing
Do not pass me by
Pour out the rain of Your Spirit
Jesus come, abide
As the living water welling up within me
Send Your streams of blessing
Revealing Your pure radiance through me

Fill our hearts with glory to reflect Your blessings, Lord
As we share Your mercy
We bless Your name, Lord, for eternity
