

Three days

For three days believers watched and waited
Three days hope had almost faded
But in three days Heaven celebrated
As the stone was rolled away
Christ rose up from the grave in three days

Verse 1

We love to tell the story
The way He lived and died
How Heaven sent a spotless Lamb
To be the sacrifice
They crucified His body
But the story was not through
Even as they laid Him in the tomb

Verse 2

The darkness of Golgotha
Oh the darkness of the grave
It seemed had overcome the world
Christ gave His life to save
Though soldiers sealed the entrance
And stood guard at the door
The grave clothes could not hold Him anymore

For three days believers watched and waited
Three days hope had almost faded
But in three days Heaven celebrated
As the stone was rolled away
Christ rose up from the grave
For three days believers watched and waited
Three days hope had almost faded
But in three days Heaven celebrated
As the stone was rolled away
Yes the stone was rolled away
Christ rose up from the grave
Christ rose up from the grave
In three days
