

Jesus, Lord, You are my Saviour

Jesus, Lord, You are my Saviour,
offering eternal life.
Your death bought for me salvation,
saved me from eternal strive.
No more death in isolation,
but eternal jubilation.
Lord, I thank You from my heart,
that You gave me this new start.

You, Lord Jesus, You were beaten,
Mocked and even spat upon.
You the Son of God Almighty,
paid the price for all my sin.
Saved me from eternal suff'ring,
set me free, a new beginning.
Lord, I thank You from my heart,
that You gave me this new start.

Thank You, Saviour, for Your suff'ring.
For the anguish You endured.
Thank You for Your wounds, Your praying,
faithfull ever, ev'n in death.
Thank You for the cross You carried,
now symbolic sign of our faith.
Thousand times I thank You Lord,
that You could such love afford.
