

I'll be still

I'll be still and come to You  
There You stand with arms wide open  
Give my burdens all to You  
Warm my heart as comfort's growing

Chorus

God, You are my loving father  
Safety in You I will seek  
Father, You my God of hope  
My life I'll lay down at Your feet

Verse 2

Welcomed as Your child, I feel  
Wipe my tears and lift my burden  
Lovingly You comfort me  
Safety, in You I encounter

Bridge

To You I will surrender  
You're my creator King  
I'll live my life for You, Lord  
Savior, Shelter, Unto You I'll sing
