

## **Silent Night, Holy Night**

O silent night, o holy night  
O night to end all nights  
Heaven opened, the silence broken  
by the newborn King's first cry  
In the darkness dawns new life  
Songs of angels fill the sky

### CHORUS:

Glory in the highest  
Peace on earth, goodwill among men  
Glory in the highest  
He has come, Savior, King, Emmanuel

O silent night, o holy night  
O perfect child of light  
Meek and lowly the One and only  
Son of God who reigns on high  
O how great this gift of love  
Praise the Father, praise the Son

### BRIDGE:

All glory  
All honor  
Unto the Lamb  
All wisdom  
All power  
Be unto Him

Silent Night, holy night  
All is calm, all is bright  
'Round yon virgin mother and Child  
Holy infant so tender and mild  
Sleep in heavenly peace, sleep in heavenly peace
