

This is the moment

Hold on and never give in!
Throw all your fears to the wind.
Join hands and hearts till the end,
and let's walk on!

This very moment now, a voice is crying.
Awake and listen, for there's no denying:
we hear a call, distressed and hoarse with sighing,
from those who hope though they cannot believe:

Refr.: This is the moment,
 this is the moment,
 this very moment, now, this is the moment;
 this is the moment, this is the moment,
 this very moment now!

Hold on and never give in!
Throw all your fears to the wind.
Join hands and hearts till the end,
and let's walk on!

This very moment now, a voice is streaking
across the heavens, like a dagger breaking
the veil of silence, as the stones are quaking
to hear the promise: God does not forget.
Refr.

Hold on and never give in!
Throw all your fears to the wind.
Join hands and hearts till the end,
and let's walk on!

This very moment, heav'n and earth are waiting
as lives once mute now find their fears abating
and raise their voices high, anticipating
the strength that changes their cries into song.
Refr.

Hold on and never give in!
Throw all your fears to the wind.
Join hands and hearts till the end,
and let's walk on!
