

Live In Victory

The future is wide open
And I have so many plans
So many roads to travel
But my path is in your Hands

Anywhere I go I'm staying close to You
Lord, You know the things I'm going through

I have my doubts and fears
Life is not a game to play
If I don't trust in You
Then I know I'll lose my way

Anywhere I go I'm staying close to You
Lord, You know the things I'm going through

I believe You died to set me free
I believe You are the Way for me
I believe
With Your mercy I will
Live in victory

When I stumble, when I fall
I'll get up and try again
Your love will give me strength
You're my Savior and my Friend!

Hand in hand, You will walk beside me
With Your Spirit to help and guide me
