

More of You and less of me

When I want to follow, want to go Your way
Will You teach me, hourly, daily, I have got my cross to carry
Me no more but Christ lives inside me
More of You and less of me, life of my life, Jesus
More of You and less of me, Jesus sets me free

When I want to serve You, clear and pure of heart
I must learn, I must remember, you're the highest Lord to Honor
Me no more but Christ lives inside me
More of You and less of me, life of my life, Jesus
More of You and less of me, Jesus sets me free

When I want to praise You, praise You all my life
May this song be the expression
Of my lifelong dedication
Me no more but Christ lives inside me
More of You and less of me, life of my life, Jesus
More of You and less of me, Jesus sets me free

Me no more but Jesus lives in me
