

This child Immanuel

Lord when I pray to You, I feel that I am blessed
With a God who puts his peoples mind at rest
When I think about what You
Did for us upon the cross
You gave your life as a gift
You came and lived here with us

*The time has fin'ly come
The prophecy fulfilled
Born is Gods only Son
Hallelujah*

*This Child Immanuel
The King of Israel
This Child has lived with us
This King has lived with us on earth
It was God's only Son, this Child Immanuel*

And Christmas is the time when we celebrate your birth
the sacrifice you made for us on earth
When I think about what you
Did for us upon the cross
You gave your life as a gift
You came and lived here with us

*The time has fin'ly come
The prophecy fulfilled
Born is Gods only Son
Hallelujah*

*This Child Immanuel
The King of Israel
This Child has lived with us
This King has lived with us on earth
It was God's only Son, this Child Immanuel*

*Bridge:
Who takes away our sins
Who cleanses us from guilt
Who lived, Who is arisen from the grave
This Child Immanuel
The King of Israel
This Child has lived with us
This King has lived with us on earth
It was God's only Son, this child Immanuel*
