

Not from here

The help I seek
comes not from earth
Not from here
The help I seek
comes not from earth
Not from here

Chorus 1:
Higher than mountains
the clouds, skies and heavens
God is above
Higher than mountains
the clouds, skies and heavens
Higher than mountains
God is above

I'll wait for God
He gives me strength
Renews my strength
I'll wait for God
He gives me strength
Renews my strength

Chorus 2:
Greatly from heaven
Greatly from heaven
God descends
Greatly from heaven
Greatly from heaven
God descends

My wealth and my belongings
Can't touch my heart forever
They will fade away, only You will remain, Only You, only You, only You
No king, no men, no country
They're all so transitory
They will fade away, only You will remain, Only You, only you, only you

My help, my strength (bis)

Higher than mountains
the skies and its cloud fields
Higher than mountains
