

Sometimes life is so painful

Sometimes life is so painful  
When the storms rage within  
In a time of trouble and despair  
As if the night is unending  
And the dawn will never come  
And the darkness is more than  
I can bear

In that very moment  
When I feel all is lost  
Let me see you, let me feel you  
Let me know that you are God  
That my life is still in your hands  
And your love keeps holding me  
Then I will see from a distance  
that you've always carried me.

When my mind is full of questions  
And my heart is filled with doubt  
In a world of uncertainty  
It seems that no one has the answers  
And my prayers just disappear  
So overwhelmed with anxiety

Lord, come to my rescue  
When I seem to lose my way  
And make the faith that's in my heart  
Come alive to me today
