

We bring glad tidings

Chorus

We bring glad tidings of joy  
We bring glad tidings of joy to the world  
Singing our praise to the newborn king  
Glory to God for the hope he brings  
He is why we bring glad tidings  
Tidings of joy to the world.

One holy night, a child came to save us  
Love's pure light was born to us that day  
We are so amazed that God has shown his grace

Chorus

We have been blessed, by the gift from heaven  
We confess the name above all names  
Jesus, He has come, the chosen, promised one.

Chorus
