

## Heaven's Heart-Gift

Awoken in the night,  
a dream of gifts to bring.  
Mary's child, was it true.  
Emmanuel, the chosen infant King?

The heat of morning sun,  
the dust and toil of day,  
Joseph prayed was it true,  
Emmanuel, the love of God to stay?

Prince of peace, Saviour, oh Jesus  
Heart-gift of God to humanity.  
Wondrous majesty; prophecy promised.  
Gracious Saviour; Christ has been born.  
Eternity welcomes God's gift to the world.  
Precious Jesus.

That long and rugged road,  
God's angels calmed their fear,  
Son of man, was it true,  
Emmanuel, God's Holy Child was near?  
Oo Jesus

Glorious hope of eternity  
Wondrous majesty; prophecy promised.  
Gracious Saviour; Christ has been born.  
Eternity welcomes God's gift to the world.  
Precious Jesus.

Angels telling the story, Kings with gifts to bring:  
Heaven's gates have opened.  
Worship the king, Heaven's heart-gift from God.  
King of glory, heart-gift from God.

Wondrous, majesty; prophecy promised.  
Gracious Saviour; Christ has been born.  
Eternity welcomes God's gift to the world.  
Precious Jesus  
Saviour Jesus: Wondrous Jesus, is born
