

Promises one by one

He promised to hold my hand
He promised to help me stand
When the valley's too low
And the river's too wide
He promised He would lead me
To the other side
His promises light my way
Never lead my feet to stray
Livin' in His Word I will overcome
Standin' on His promises one by one

I may have to walk
Through the valley of death
I may not be sure
Of my very last step but

I may have to walk
On the water wth Him
But I don't have to worry
If I sink or swim 'cause
