

To You is my silence (Psalm 65)

To You is my silence  
To you is my song  
Oh God in Sion  
to You is my promise  
to You is my prayer  
All that have breath comes to you

Blessed are those  
who You choose and who may  
come near  
They may live in your courts  
and adore You  
in your holy place

All the people  
from near and from far  
stand in awe of You  
all who are living  
under the sun  
sing and rejoice over You

My heart is at peace, and  
my soul longs for You  
O God in Sion
