

Please stand next to me

Lord, will you hear my prayer
Will you hear my voice
When I speak to thee
Please, stand next to me

Lord, will you hear my prayer
Will you give me strength
When i'm down and weak
Please, stand next to me

*I know, i'm not worth your love
Attention or time
Although i am guilty, weak, and full of sin
I ask you*

Lord, will you hear my prayer
When i turn to you
I am on my knees
Will you bless me please

*And Lord, i'm not worth your love
Attention or time
For you know that i am guilty, full of sin
I pray to you, stand by me, Lord*

Lord, will you hear my prayer
Will you hear my voice
When I speak to thee
Please, stand next to me
