

There's only one Well

Chorus:

There's on-ly one well where you can draw li-ving wa-ter,  
On-ly one well that will ne-ver run dry;  
No oth-er foun-tain flows from the Fa-ther.  
On-ly one well, one way, Je-sus Christ!

Do you thirst? Is your spi-rit dry?  
Do you need a drink from a faith-ful sup-ply?  
Friend, I've found the source of that life-gi-ving flow.  
It will quench your thirst. It will save your soul.

Chorus

There are wells that are made by men  
where you fill your cup and you're thirst-y a-gain;  
But, the Li-ving Well sat-is-fies ev-er-more.  
Just one drop will do when it's from the Lord!

Chorus

There's only one well,  
Bring your emp-ty cup.  
One well.  
The Lord will fill it up.  
One well, you'll nev-er thirst a-gain!

Chorus
