

A little bit of love

A little bit of love goes a long, long way
A little love
A little bit of love and I'm on my way
A little love. A little love

A long way but we'll get there together
A long way but we'll get there soon
Along the way we can lean on each other
A little love goes a long, long way
A little love. A little love

A little bit of love and the sun comes shining
A little love
A little love
A little bit of kindness and someone's smiling
A little love. A little love

A long way but we'll get there together
A long way but we'll get there soon
Along the way we can lean on each other
A little love goes a long, long way
A little love
A little love.

Little drops of rain can trickle down into a puddle
Then the puddles get together making streams that make a river
The rivers fill the valleys with a roaring and a rushing
Then the little drops of rain have made a
Wide, wide, wide, wide, wide, wide ocean

A long way but we'll get there together
A long way but we'll get there soon
Along the way we can lean on each other
A little love goes a long, long way

A long way but we'll get there together
A long way but we'll get there soon
Along the way we can lean on each other
A little love goes a long, long way

A little love. A little love. A little love
