

Overcome (In Jesus' Name)

Come behold our wounded King, see what mercy cost.
All the wages of our sin cancelled at the cross.
He has overcome, He has overcome and forevermore He reigns.
We will overcome, we will overcome by the pow'r of Jesus' Name.

Come and see where death has died, see the risen Son.
A thousand graves could not contain the measure of His love.
He has overcome, He has overcome and forevermore He reigns.
We will overcome, we will overcome by the pow'r of Jesus' Name.

All our fear and all our failure, all our sorrow, all our shame;
see the darkness now defeated, overcome in Jesus' Name.
All our fear and all our failure, all our sorrow, all our shame;
see the darkness now defeated, overcome in Jesus' Name, in Jesus' Name!

When this world's final page is turned ev'ry knee will bow,
Jesus seated on the throne with the Victor's crown!
He has overcome, He has overcome and forevermore He reigns!
We will overcome, we will overcome by the pow'r of Jesus' Name.

He has overcome, He has overcome and forevermore He reigns!
We will overcome, we will overcome by the pow'r of Jesus' Name.
We will overcome, we will overcome by the pow'r of Jesus' Name, of Jesus' Name!
We have overcome in Jesus' Name, in Jesus' Name!
