Jesus, my Jesus, my Savior, my Master, my God  
Darling of Heaven, I give myself to You  
Jesus, my Jesus, my Savior, my Master, my God  
Darling of Heaven, I give my life, I give myself to You

Jesus, my Jesus, my Savior, my Master, my God  
Darling of Heaven, I give myself to You  
Jesus, my Jesus, my Savior, my Master, my God  
Darling of Heaven, I give my life, I give myself to You

There You paid it all for me, darkness fell on Calvary  
All nature cried for its Majesty when You wore the crown of thorns for me

Jesus, my Jesus, my Savior, my Master, my God  
Darling of Heaven, I give myself to You  
Jesus, my Jesus, my Savior, my Master, my God  
Darling of Heaven, I give my life, I give myself to You

There You paid it all for me, darkness fell on Calvary  
All nature cried for its Majesty when You wore the crown of thorns for me

Jesus, my Jesus, my Savior, my Master, my God  
Darling of Heaven, I give myself to You  
Jesus, my Jesus, my Savior, my Master, my God  
Darling of Heaven, I give my life, I give myself to You

Jesus, now I give my life to You
