

Where is the Savior?
English: John Purifoy

Where is the Savior, and where is our King?
Where is the song that our hearts long to sing?
When will we see him, the longpromised one?
Come now, Emmanuel, God's only Son.

Hope for the hopeless,
help of the helpless,
almighty Prince of Peace.
Bread for the hungry,
rest for the weary,
his reign will never cease.

Where is the Savior, the one who will show
mercy and kindness his people to know?
What shall we bring him, our love to impart?
If we but meet him, we'll give him our heart.
