there with you through it all. What seems like loss can in - to bless -  
 - ing. You can't con - ceive what has be - come. Don't keep on

doubt - ing or dou - ble - ing. Just go in faith and trust in the Lord!

See the waves on shore rejoice as they make their final motions.  
 All creation hears His voice and His touch brings life anew.  
 See the migrant birds in flight over vast and foaming oceans.  
 Since their goal is not in sight, They must trust to make it through.

In changing times...
