# THIS CHILD KEPT HEAVEN IN HIS HEART

Lyrics: Ds. André F. Troost  
Original Title: Niet Als Een Vorst Zijt Gij Gekomen  
Translation: Erwin de Vos

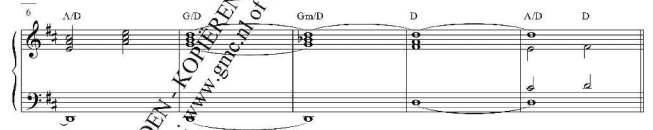

Music: Leon van Veen

Narrator:

Many heard about the birth of the Son of God. But they also doubted if He had come. Wouldn't God have announced the birth of His Son with the sound of the trumpets, lightning or other signs? How could they be sure that this was the Son of God? This was of course a child of royal descent. But he was born in a manger. Not in palace, but in a stable. Not magnificently announced, but as the silence, frail and pure.
