Text, music and arrangement:
Stein Jonassen

Verse

It shines so bright, this world we're given, wrapped in mighty mountains fields of gold
 Snow diamond white, red ruby sunri's in
 This love for our land is strong and true

Chorus

shines your light, Cause you were driven to make us, this wonder to behold
 we see our sea-lives through your eyes, there's no hate, no war, no borders, too.

Lord we stand as one in prayer for our time, our land
 have no fear, hold on to your hand
 God, let all the pain and fighting cease.
 heart, we pray for peace

Those who walked before us trusted in your word. Help us do what they did, we walk in their footsteps, live what we've heard

②: Your heart sang colours to creation
 emerald green, sea sapphire blue
 your cross on every nation
 We hold high this legacy from you
